

Association des amis de
Francis Poulenc

The Association Francis Poulenc was created in November 1963, shortly after the death of Poulenc, by Darius Milhaud, Georges Auric, Henri Sauguet and Pierre Bernac. In the beginning, its aim was to be an informal group for those who had known Poulenc and who wished to meet in memory of him and his achievement. However, admirers from all quarters rapidly joined. From this it quickly became an association devoted to the wider influence of Poulenc's musical works, providing financial support for young performers, festivals celebrating the composer (Académie Poulenc de Tours, Concours International de Piano Francis Poulenc, Journées Francis Poulenc de Bagnols-en-Forêt or Anost, etc), and sometimes published work.

Presided over for many years by **Georges Prêtre**, with the pianist Gabriel Tacchino and the musicologist Jean Roy as Vice-Presidents, the association was administered from the 1970's by **Rosine Seringe**, Francis Poulenc's niece and god-daughter who was born in 1918. With great verve, drive and passion, she was able to develop the association to complement the huge and unrelenting fascination which Poulenc's music has aroused since his death. Since 2003, her grandson **Benoît Seringe**, general secretary and guardian of the rights to Poulenc's music, has taken charge of this precious cultural and personal legacy. It was he who established this website and now oversees the most recent projects (the *Cahiers de Francis Poulenc*, 2013 death anniversary, etc.)
